

PRESS RELEASE

NEW BRAND NAMES FROM 3A COMPOSITES | POLYCASA

01.02.2018: Following the introduction of the brand names CRYLUX™ and CRYLON® 3A Composites continues with its successful brand strategy and is pleased to present the new brand names for the proven polycarbonate and polyester range by Polycasa.

The extruded polycarbonate „POLYCASA® PC“ is now called „IMPEX®“ and the extruded multiwall polycarbonate sheet „POLYCASA® SPC“ is now called „IMPEX® MULTIWALL“.

The extruded high transparent APET and PETG thermoplastic polyester sheets are now known as „HIPEX® A“ formerly „POLYCASA® APET“ and „HIPEX® G“ formerly „POLYCASA® PETG“.

IMPEX® – Extruded polycarbonate sheets with excellent impact strength

IMPEX® MULTIWALL – extruded multiwall polycarbonate sheets with high impact resistance

PRESS RELEASE

HIPEX® A – the best for flat and cold bending applications

HIPEX® G – The perfect material for vacuum forming and thermoforming

About 3A Composites GmbH

3A Composites GmbH has developed, manufactured and marketed high-quality aluminum composite panels, structural composite material, plastic sheets and lightweight foam boards for architecture, visual communication and transport & industry markets since 1969. The company's famous brands ALUCOBOND®, DIBOND®, ALUCORE®, KAPA® and FOREX®, have established its reputation as a global company.

Following the integration of the Polycasa group in April 2015, 3A Composites GmbH has extended its product portfolio with a wide choice of plastic sheet to strengthen its position as a diverse and leading manufacturer of materials for display, building and industrial applications in Europe.

3A Composites GmbH is part of the international 3A Composites Group. The group belongs to the listed company Schweizer Technologies headquartered in Horgen, Switzerland. 3A Composites, formerly known as Alcan Composites, is an independent division of Schweizer Technologies since December 1st, 2009 and has approximately 4'300 employees worldwide. In addition to the above mentioned market segments, 3A Composites focuses on wind energy and the marine market with their trademarks AIREX® and BALTEK®.
